## INTRODUCTION

### Vision

To promote highly Ethical and Innovative Computer Professionals through excellence in teaching,training and research.

### Mission

To Produce globally competent professionals,motivated to learn the emerging technologies and to be innovative in solving real world problems.

To Promote research activities amongst the students and the members of faculty that could benefit the society

To impact moral and ethical values in their profession.

## OPPORTUNITIES

Computer science and Engineering graduates are the pillars of the current and emerging information era.Opportunities include persuing Masters of science Programs in reputed Universities of U.S and taking up reserach assignments in Hardware,System Software,Computer Engineering,Multimedia,Networking and Communication area.

Job opportunities are ever increasing and are varied in nature.System study,analysis,Design and Programming are the inherent places in Application Development and each one of them provides enormous potential to the Computer Science and engineering graduates to shape themselves in themselves in their career.Hi-end profiles include Artificial Intelligence,Robotics,Graphic,Solutions and Simulations.

The degree Programs prepares students for Advanced ,Technical Computer Systems Design and Development Work.it includes the study of the Database Design.Data Communications.Procedural and Object Oriented Programmming.Operating Systems Design,Alogorithm Development and Application of Artificial Intelligence.The Curriculam includes baisc course work in Electronics Technology and the Theory of Programming Languages.Students focus on developing computer based solutions involving hardware and software components and integration.Graduates are qualified to work inn a range of positions ,from entry-level computer scientists and system engineers to project managerrs leading advanced applications of computers science to real-world problems.The departments has since boundened its reserch strengths.

**RESERACH CENTRE**

The Department is recognised as a Research Centre for M.S./Ph.D by the ANNA UNIVERSITY

**AFFILATION**

The Department has PERMANENT AFFILATION from ANNA UNIVERSITY.

**AICTE-CH SURVEY**

The department is Ranked 3rd in the AICTE-CII Survey conducted Nationwide for Industry Institue Interaction

**IIT BOMBAY REMOTE CENTER**

The departments acts as a Remote Center for conducting Spoken Tutorials ,workshops and certifications by IIT,BOMBAY in collaboration with ISTE and finished by MHRD

**IBM CENTRE FOR EXCELLENCE**

The department is credited with IBM Software Centre for Excellence and the tab is set for the same
